DESCRIPTION

This house of 230 m² on a plot of 1035 m² is located at the top of a dead end street in a residential area of Curepipe. The house and the garden have been completely renovated in 2017 and it is sumptuous.

As soon as you walk through the double doors, you are drawn into a flood of light and greenery.

A beautiful wooden floor leads us to the dining room and the living room with its fireplace, both of which open onto the veranda. The TV lounge area completes these large living rooms.

The conventional kitchen offers plenty of storage and a dining area. At the back of the kitchen is the laundry room.

A large hallway with plenty of cupboards and an office leads to the 5 bedrooms.

The master bedroom has a dressing room. There is a second shower room. 4 bedrooms are air-conditioned.

At the end of the hallway is the garage with storage space.

The garden has been completely redesigned while keeping its adult palm trees. Outside, we have an awning for gardening and a service toilet. This house is extremely well maintained and there is zero work to be done.
