## DESCRIPTION

Nestled in the heart of a tropical forest, these 2 villas set on a large plot of land represent an opportunity not to be missed. Set on a vast plot of land between heaven and earth, the two properties overlook the ocean, offering panoramic views of both the mountains and the lagoon.

The sloping ground, part of the property, allows you to discover a lush natural environment. The course is a real invitation to adventure, passing by pontoons and ponds leading to a secluded beach with crystal-clear waters that are pleasant all year round. If you're looking for a unique acquisition, this is your opportunity.
