DESCRIPTION

First floor Apartment, facing onto a generous pool area, surrounded by lush tropical landscaped gardens, defined by their sleek and contemporary Mauritian styled architecture, cleverly designed to embrace the outdoors and connecting residents with the natural beauty, space and light of their surroundings. It offers three en-suite bedrooms, a living room opening onto the kitchen and a beautiful balcony.

The palette is more 'urban', using concrete effect floors to create seamless spaces inside and out, while composite stones balance with the slatted timber detailing. These elegant spaces are touched with European styling and the simplicity of intelligent, modern design.
