## DESCRIPTION

This 305.53m<sup>2</sup> villa is inspired by an island off the west coast that is a haven for the marine ecosystem. Two units are available with 4 en-suite bedrooms and each villa offers an unobstructed view of the lagoon and Le Morne Mountain.

The design is based on a blend of contemporary architecture and Creole house and uses a mix of wood and basalt stones. The villas have been designed to offer privacy to your outdoor life, with the famous west coast sunset as a backdrop.
